- **October 19<sup>th</sup> at the Snowmobile USA snow show Milwaukee, WI**
- **October 26<sup>th</sup> at the Arctic Cat Race Dept. Thief River Falls, MN**

**Please respond to this email or fax this form to ISR with the names of your officials who plan to attend.**

**RSVP by September 15<sup>th</sup> 2019 to insure your reservation at the school.**

After you RSVP we will send you information for the location you have chosen with room numbers and hotel accommodations in the area and any other pertinent information.

2019/2020 Race Director and Technical Director School will be held at a location shown above. This will be a hands on school with four major sessions. These sessions will be as follows:

SESSION 1: All four manufacturers have a 120/4 stroke snowmobile. Briggs & Stratton has entered into the 120/4 stroke racing program with a spec engine. In this session we will go over all Kitty cat and four stroke teching procedures. After the first few years of the 200's we have learned some things to look at in this category

SESSION 2: Fuel testing procedures and standards, enforcement and penalties.

SESSION 3: Engine teardown procedures and methods including CC'ing procedures.

SESSION 4: Race Procedures, Race Preparation, ISR insurance requirement waivers, accident procedures, etc.

### **THIS IS A MUST ATTEND SCHOOL.**

The school is open to two representatives from each affiliate group. If you wish to have more than two people attend, contact the I.S.R. office for prior authorization. Your organization's participation in this school is the only way to insure fair and proper enforcement of race rules as published on the I.S.R. Website and race rules enforcement is required by the I.S.R. insurance program.
